COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Enclosed is a copy of the following documents to be placed in the file for the above-identified application:

- 1) Notice of Recordation dated August 29, 2000 and accompanying documents to record assignment of Assignor's interest.
- 2) Notice of Non-Recordation of document dated August 30, 2000 and accompanying documents indicating that the cover sheet submitted for recording was not acceptable due to the fact that the attachments that were indicated on the cover sheet were not received by the assignment division.

- 3) Notice of Recordation dated December 8, 2000 and accompanying documents to re-record to correct the name of the conveying party and the name and address of the receiving party.
- 4) Notice of Recordation dated June 8, 2001 and accompanying papers to correct the execution date of assignment from conveying parties to receiving party.

The original documents are in the abandoned parent file, Patent Application Serial No. 09/218,539. The identified papers are being submitted to the U.S. Patent & Trademark Office so that the prior history from the abandoned parent case is carried over to the above-identified divisional application.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 415072000110. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: July 12, 2001
